SECTION 4 DESCRIPTION OF SERVICE

This section provides a general description of the Island Transit DART service.

***Type of Service:** DART is a shared ride, door to door service for ADA-eligible passengers who have been accepted through the eligibility certification process (see Section 3, Application for Service). Drivers will pick up riders at the curb of the requested location unless assistance from the door is requested and bring them to the requested destination, where they will be dropped off.

DART is not a taxi service or an emergency medical service. There are no restrictions or priorities based on trip purpose. Since you will be sharing the vehicle with other passengers, the driver may make a number of stops picking up and dropping off other passengers. Your trip may not follow the

ISLAND TRANSIT DIAL-A-RIDE GUIDE

most direct route to your destination and it may take longer. Please be patient.

Service Area: DART operates within $\frac{3}{4}$ mile radius from each fixed route, which includes Beachtown Drive, east of 1st Street and 7 Mile Road, west of 103rd Street. If you are unsure whether you are in the service area, please call (409) 797-3909 for assistance.

Fare: The fare for a one-way trip is \$1.00. You can purchase a monthly pass, good from the first day of the month to the last day of the month for \$32.00 or a book of forty (40) tickets which can be used anytime. Passengers travelling to a UTMB clinic may ride free-of-charge with a current appointment slip or UTMB badge.

Personal Care Assistants (PCA) ride at no-charge. If a PCA is needed on regular basis, please indicate this need in the Certification of Eligibility form. For all trips, you must inform the scheduler at the time you make your reservation if a PCA will be accompanying you. A companion may also accompany you but he/she is required to pay full fare. Children accompanying ADA-eligible parents are required to pay full fare.

Fare Media: Cash, monthly pass, or ticket. You must pay full fare as you board the bus. Exact change is required. The driver will not wait or stop for you to get change. NO CREDIT, NO TOKENS – NO EXCEPTIONS.

You can purchase tickets and passes at the DART office at 3115 Market Street, Galveston, Texas, 77550, or by mail. If you order by mail, please include a self-addressed, stamped envelope with a check or money order. Please do not send cash.

Day and Time of Service: DART operates the same days and times as fixed route service - Monday through Saturday, from 6:00 AM to 11:30 PM , and Sunday, from 8:00 AM to 7:00 PM, excluding these holidays.

Holidays: Closed Thanksgiving Day and Christmas Day

Service Accessibility: All vehicles are wheelchair accessible as required by the ADA. Riders can use any mobility device as long as it can be physically accommodated by the vehicle and it does not cause a direct threat to safety to any passengers.

ISLAND TRANSIT DIAL-A-RIDE GUIDE

Service Eligibility: DART is operated for the benefit of ADA-eligible passengers (see Section 2 for more information).

SECTION 5 RESERVATIONS AND SCHEDULING

Reservation Phone Number: To make a reservation, call (409) 797-3909. If you are hearing impaired, please call (800) 735-2989 for Relay Texas TDD.

***Reservation Times:** You can call to make a reservation Monday through Friday, from 7:00 AM to 4:00 PM; or Saturday and Sunday, from 9:00 AM to 5:00 PM. the day before you want to travel. You must reserve both your pick-up and return trip.

DART will schedule your pick-up times between fifteen (15) and fifty-five (55) minutes prior to your requested time for both your pick-up and return trip.

***Same Day, Will Call, or Open-Ended Reservations:** DART does not accept same day, will call, or open-ended reservations. All reservations must be made by 4:00 PM Monday through Friday and by 5PM on Saturday and Sunday the day before you wish to travel. You must schedule both your pick-up and return trips. If you finish earlier than your requested time, you will have to wait until your scheduled pick-up. The only exception to this policy is a late pick-ups from a doctor's appointment; for example, if your appointment runs later than scheduled due to delays, DART will adjust your pick-up time to account for this delay.

Advance Reservations and Subscription Service: You can make reservations up to seven (7) days in advance. Subscription service is also available for riders making the same trip (same pick-up and drop-off location, on the same day, and at the same time, for an extended period of time). Please notify the scheduler when you are making a reservation if you need to subscribe for regular service.

Excessive Rescheduling: Excessive rescheduling is prohibited. Dispatchers will make every effort to accommodate the initial reservation request. The

ISLAND TRANSIT DIAL-A-RIDE GUIDE

department will allow a maximum of three (3) reschedules occurring per week.

Information You Need When You Call to Reserve a Trip: When you call to make a reservation, please have the following information ready:

- The day and date you want to travel;
- The time you want to be picked up for your outgoing trip;
- The complete street address and description of the pick-up and drop-off locations, including building, suite, or apartment number; provide the gate code if needed for access;
- Your appointment time;
- The time you want to be picked up for your return trip;
- Whether or not you will be traveling with a Personal Care Attendant (PCA) or service animal; and
- Any other special information necessary to find the pick-up or drop-off locations.

Reservation Confirmation: Trips are confirmed by the scheduler at the time the reservation is made. No additional confirmation is provided.

Changes to Reservations: If you need to change or cancel your reservation, please call the scheduler at (409) 797-3909 as soon as possible. Drivers are not allowed to take, make, or change reservations. Drivers are not allowed to deviate from their assigned routes or times.

***Cancellations:** You can call to cancel a trip between 7:00 AM and 4:00 PM, Monday through Friday and between 9:00 AM and 5:00 PM on Saturday and Sunday. If you call to cancel your trip less than one hour before your scheduled pick-up time, or at the door, this will be considered a No Show. When you call to cancel a trip, please be specific with your request. Failure to properly inform the scheduler will result in a cancellation for the entire day.

Cancellation of Return Trips for No-Shows: If you miss your ride and are given a no-show, your return trip will be cancelled automatically.

SECTION 6 NO-SHOW POLICY AND SUSPENSION OF SERVICE

ISLAND TRANSIT DIAL-A-RIDE GUIDE

***No-shows:** A “no-show” occurs when a rider is not available to take the scheduled trip at the designated time and location without a cancellation. A rider who accumulates three (3) or more no-shows in sixty (60) days may have his/her service suspended for one (1) week pending an appeal decision. The rider will be given 30 days of the letter being sent to appeal the decision. The frequency of service will be taken into consideration to establish a pattern or practice of excessive “No Shows”. The rider will also be given the option to pay the no-show penalty instead of the suspension. A no-show will be counted when:

A rider is not available to ride within the 30-minute readiness window [fifteen (15) minutes before and fifteen (15) minutes after the scheduled time] and within eight (8) minutes of the vehicle arrival. For example, if you have a trip scheduled for 1:00 PM, you need to be ready to board the vehicle between 12:45 PM and 1:15 PM (a 30-minute pick-up window). (See Section 7: Rider Readiness, On-time, Early, and Late Vehicles.)

***Riders** will be notified prior to being charged with a no-show. If you are concerned about being charged with a no-show but have a legitimate reason for missing a trip, you may contact DART at (409) 797-3909 and provide an explanation. It is at DART’s discretion to either charge or dismiss the no-show.

***Suspension of Service Notification:** If a rider’s service is to be suspended, the rider will be sent a “Notice of Service Suspension” to his/her home address. The Notice of Service Suspension will include the dates of no-shows, the start and ending dates of the pending suspension and the option to pay for the No Shows instead of the suspension and instructions on appealing the decision to suspend service.

***Suspension of Service Appeals Process:** If a rider has received a Notice of Service Suspension and wishes to appeal, the rider may do so before the suspension within 30 days. Please refer to Section 11, Appeals Process, for information on how to appeal the decision to suspend service.

SECTION 7 RIDER READINESS AND ON-TIME, EARLY

ISLAND TRANSIT DIAL-A-RIDE GUIDE

AND LATE VEHICLES

Rider Readiness Window: You must be prepared to board the vehicle fifteen (15) minutes before or after your scheduled pick-up time. This is called the “readiness window.” For example, if your scheduled pick-up is at 1:00 PM, you need to be ready to board the vehicle at any time between 12:45 PM and 1:15 PM.

***Rider Time to Board:** If a vehicle arrives within the readiness window, you have eight (8) minutes to board the vehicle. You will need to wait in a place where you can safely watch for the vehicle’s arrival. If needed, the drivers will blow the horn, knock on your door, or dispatch may call you to let you know the vehicle has arrived. If you do not board the vehicle within eight (8) minutes, the vehicle will depart and will not return. Your trip will be a “No Show”

Announcement of Vehicle Arrival and Departure: You should be prepared to board within the readiness window.

On-time Vehicles: A scheduled vehicle is considered on-time if it arrives within the 30-minute readiness window. For example, if your trip is scheduled for 1:00 PM, a vehicle can arrive anytime between 12:45 PM and 1:15 PM. Riders should be ready to board the vehicle at any time within this 30-minute time window. Riders will have eight (8) minutes to board the vehicle once it has arrived.

***Early Vehicles:** A vehicle is considered early if it arrives before the 15-minute readiness window begins. If a vehicle is going to be early, dispatch will call the rider to see if an early pick-up is acceptable. If early pick-up is not acceptable, a rider is required to board the vehicle no later than eight (8) minutes after the beginning of the 15-minute readiness window. For example, a rider with a 1:00 PM scheduled trip must be prepared to ride no later than 12:45 PM. An early vehicle arriving before 12:45 PM readiness window is required to wait eight minutes, or until 12:58 PM, for the rider to board. If the rider does not board within eight minutes, the vehicle will depart and the ride will become a “No Show”

Late Vehicles: A vehicle is considered late if it arrives after the close of the 30-minute readiness window. For example, a 1:00 PM scheduled trips requires the vehicle to arrive no later than 1:15 PM. A vehicle that arrives

ISLAND TRANSIT DIAL-A-RIDE GUIDE

after 1:15 PM is late. If a vehicle is late, riders should call dispatch and request an estimated time of arrival. Riders who decline trips due to late vehicles will not be charged a no-show.

SECTION 8 RIDER ASSISTANCE

***Driver Assistance to Riders:** The Demand Response Bus Service is a Door-to Door Service. Drivers will not assist riders over the thresholds. However, drivers will assist to and from the vehicle, or help with packages, bags, or other personal items not to exceed 15 lbs. in weight. Drivers will also assist riders with mobility devices such as walkers, wheelchairs, oxygen tanks and scooters to secure the devices in the vehicle when needed. Island Transit personnel will not be liable for any damage to personal items or devices.

Personal Care Assistants: Personal Care Assistants (PCA) are allowed to ride free-of-charge. If a PCA is needed on a regular basis, DART asks that the rider indicate this on their eligibility form. You should let the scheduler know that a PCA will be riding when you are scheduling your trips. It is recommended that PCAs assist passengers with personal items, such as bags and packages.

Service Animals: Service animals are allowed. You are responsible for letting the scheduler know that a service animal will be accompanying you when your trip is scheduled. Service animals must be pre-authorized. To pre-authorize a service animal, you must complete the DART certification eligibility form and have it verified by a qualified healthcare professional that a service animal is required.

Only service animals trained to assist the disabled and must be under full control of their owner at all times will be permitted on a DART vehicle.

SECTION 9 SAFETY

Use of Seat Belts: All vehicles are equipped with seat belts. You are required to wear seat belts when the vehicle is in motion.

ISLAND TRANSIT DIAL-A-RIDE GUIDE

Child Safety Seats: Riders with children who are less than thirty-six (36) inches tall and weighing less than thirty-five (35) pounds must ride in a car safety seat. The rider will be responsible for providing and securing the child in the safety seat. Children cannot be transported in strollers or ride in a customer's lap. Drivers can assist riders to install the safety seat.

Packages: Packages and personal effects may not block the aisle, displace another rider, occupy another seat or otherwise create a safety hazard. Packages and personal effects must be under the control of the rider at all times. Excessive packages or personal effects must be contained to a reasonable-sized basket. No exceptions.

Securing Mobility Devices: All mobility devices must be properly secured by the driver. Personal Care Attendants are permitted to use the wheelchair lifts when assisting DART riders.

Traveling with Life-Support Equipment: Riders may travel with life-support equipment, such as portable oxygen, provided such transport does not violate laws or rules related to transportation of hazardous materials. The safety and use of this equipment is the responsibility of the passenger.

SECTION 10 RIDER CODE OF CONDUCT

Conduct: Passengers must refrain from abusive and rude language or behavior. Passengers who are verbally or physically abusive to the driver or other passengers maybe suspended or terminated from the service.

Use of Music Players: No loud radios or music players are allowed. Riders may use these devices with earplugs or headphones.

Gratuities and Tips: Drivers are not allowed to accept gratuities or tips.

Prohibition on Eating, Smoking, and Drinking: For the comfort of all passengers, no alcohol beverages, no smoking, no electronic cigarettes eating and/or drinking are not permitted on any DART vehicle.

ISLAND TRANSIT DIAL-A-RIDE GUIDE

Prohibition on the Carrying of Weapons or Firearms: No weapons or firearms are allowed on DART vehicles. Violent, disruptive, or illegal behavior subjects a rider to suspension of service.

Personal Appearance: If DART receives a complaint from riders or drivers regarding, but not limited to, a rider's physical hygiene or body odor, or the use of excessively soiled wheelchairs or walkers such that they will disturb the reasonable comfort of other passengers or DART staff, the passenger will be notified in writing and given the opportunity to correct the problem immediately. DART staff will make a reasonable effort towards a solution that will benefit everyone. Failure to comply may result in suspension of service.

Any passenger dissatisfied with the results may appeal the decision in writing within sixty (60) working days to the Appeals and Complaint Process committee.

Passenger Requirements & Expectations: You must be able to: attend to your own personal needs; safely maneuver your mobility device, if one is used; count, gather, and place the correct fare in the fare box. DART strongly encourages passengers who cannot perform the above requirements to have a Personal Care Attendant.

SECTION 11 APPEALS PROCESS

- A. The Appeals and Complaint Process will be used when an applicant wishes to appeal the decision of DART staff regarding ineligibility of an applicant for service or for suspension of service. Service will be provided during the appeals process.
- B. In the event an individual has been determined ineligible for service, the individual may file a written appeal within sixty (60) working days after receiving the determination of ineligibility.

In the event an individual has been issued a suspension of service notice, the individual has thirty (30) days to contest the suspension by submitting a written statement. Written appeal should be sent to:

Within five (5) working days of the hearing, DART will notify the applicant in writing as to the result of the hearing.
- D. Individuals, who are dissatisfied with the results of the appeals hearing, may appeal the decision of the hearing to the Transportation Commission. All such appeals will follow policy and procedures outlined by the City of Galveston for citizens complaints.
